<sup>A</sup> NMR costs include both 1D and 2D analysis and annotation of spectra against public databases.

<sup>B</sup> SECIM's LC-MS IROA costs do not include the cost of IROA kits.

<sup>C</sup> We have developed other novel assays, and can provide a quote following completion of the SECIM service request form.

<sup>D</sup> Requires consultation. Price will then be determined based on the duration of the project and how complicated it is.
